CCS COMMITMENT TO CURRENT FAMILIES

In a continued effort to partner with our parents of currently enrolled students during these difficult economic times, Crossroads Christian Schools is pleased to announce that the tuition for next year will remain the same as this year for K-8th grade. In addition, for currently enrolled students CCS is offering a contract that will keep the tuition rate the same for the following year (2010-2011).

If your child is enrolled for the 2008-09 school year (including presently enrolled preschoolers), the tuition for the enrolled child (K-8th) will remain at the 2008-09 rates for not only the 2009-2010 year, but also the 2010-2011 year as well.

Those enrolling in the high school for the 2009-2010 school year can also lock in the same tuition rate for 2010-2011.

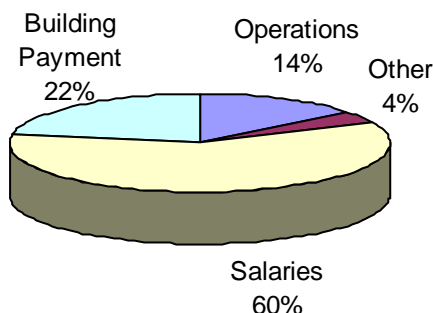

To maintain the contract and the freeze on tuition, the student must remain enrolled. An enrolled child that withdraws and later returns would be subject to any increases in tuition.

WHERE DO MY TUITION AND FEES GO?

Our budget continues to reflect our mission statement of providing an excellent education in a loving and caring environment. As indicated on the graph, a large portion of tuition dollars go toward staff salaries, allowing us to provide a personal touch to each of our students.

In addition to building costs and salaries, our budget accounts for Operation Costs – curriculum, consumable supplies and printing, and Other Expenses – utilities, janitorial services, insurance and maintenance.

As always, our budget reflects a commitment to good stewardship, keeping fees as low as possible, without lowering our standards for the education and care of your child.
