## A NOTE FROM BETH

This is a historical week in our country. President Barak Obama will become our first African American President, and for many of our students, the first new president that they have known in their lifetime. Here at Crossroads Christian School we are capturing the opportunity to teach our students the process of democracy and celebrating the freedoms we share as Americans. God has blessed us abundantly and we are truly grateful to live in a country where we can truly teach our students that they can grow up to be president of the United States someday. This week our students will be learning not only the principles of democracy, but the spiritual principles taught in Scripture. The Bible teaches us that we are to respect those in authority over us and to pray for those in leadership positions. Our students will be praying for our new president and other government leaders this week. It is not essential that we agree on political positions but to agree on these matters: respect for authority, loyalty to our God and country, and patriotism. This is an exciting week at Crossroads Christian Schools. God bless America!

## IMPORTANT AUCTION UPDATE!

Due to a facility conflict, we must change the date of this year's annual auction! The auction will be on **Friday, April 17<sup>th</sup>** from 4:00pm. until 7:30pm. and it is located at the "Plex" at Crossroads Church. **The school will be closed** in order for our staff to prepare for the event. **Friday, May 1<sup>st</sup>** will become a regular school day for all students. Please make this note on your calendars. Our annual auction is one of our biggest fundraisers and we look forward to seeing our families at our event.

Auction meeting date has been changed to **Tuesday, January 27<sup>th</sup>**, at 8:15 am. We are looking for any parents who are willing to be on our Auction Team. There are many opportunities to help. The information meeting will be held in the chapel. Please see Monique Garcia in the preschool office or call (951) 493-2162 if you have any questions.

## SCRIP

Have you purchased a scrip card that you were told was not activated when you tried to use it? *Please* let us know when you have problems. Most often we find that the card *is* activated with the correct balance, but maybe the magnetic strip has been demagnetized. The salesperson should be able to input the card number for you to use it as payment. But if the card is defective, we will replace the card for you and contact the scrip company for activation or replacement. Scrip is money and we don't want our families to be short-changed!
