A NOTE FROM BETH

Education is not the filling of a pail, but the lighting of a fire.

William Butler Yeats

The purpose of education is not to fill our children's minds with facts and bits of knowledge, but rather to inspire the love of learning for a lifetime. It is our desire as educators to create an environment that will foster both the desire to learn, and to teach the skills that learning requires: order of thought, the power of inquisition, and the access to resources that hold both knowledge and truth. To find knowledge we look to history, literature, and the sciences....to find wisdom, we look to God, the author of truth, and to His Word as it is revealed in Scripture. We are privileged to join with you in the education of your children here at Crossroads. We are excited at the prospect of students who not only have the mastery of facts, but who have a love for learning, and knowledge of TRUTH. The teachers and support staff at CCS are committed to lighting the fire in every student. We look forward to a year of learning in 2009!

BARGAIN CAR WASHES

Take advantage of this **GREAT DEAL – 3 HAND CAR WASHES FOR \$10.** The cast of the Middle School's production of "Godspell" will be washing cars on Saturday, **January 10th**; Saturday, **February 14th** (get your sweetheart's car washed for Valentine's Day); and Saturday, **March 28th**. All proceeds will go to offset the cost of the 6th annual spring production.

Tickets are on sale in the school offices or find a Middle School student. The car wash will be held in the preschool parking lot, from 10am-2pm. Come hear a sample of the music from the show and satisfy your sweet tooth with baked goodies provided by the cast.
