OPERATION CHRISTMAS CHILD

Fill a shoe box and fill the heart of a child with wonder and joy as they see the treasures within. The impact of Operation Christmas Child goes far beyond smiles and laughter. These simple gifts become Gospel opportunities, opening hurting hearts to experience the transforming power of Jesus Christ."

We will be collecting your boxes until November 16th. If you are not going to be using your box, would you please return it to the school. For more information, check out Samaritan's Purse website: www.samaritanspurse.org.

WACKY DAY

Next Thursday, October 21st, is **Wacky Day** at Crossroads Christian Schools. **This is NOT a costume day.** Students may wear crazy hats; polka dots and stripes; two different color shoes; etc. Colored hair is okay as long as it washes out for the next day.

Of course, modesty and safety are always rules for dress code. Thanks!

SCRIP

Your **tuition reduction notice** was sent home last week reflecting the amount you have accrued from April 1st (of last year) through September 30th. Remember that your credit will be posted only once, at the end of the year. Your final notification will come home mid-April, showing the full amount of your deduction. If your credit to this point was under \$2.00, a notice was not sent home. But no worries! We have only been in school for one month and there is still plenty of time to increase your scrip credit. If you have any questions, please call Tricia in the elementary office.

October Changes/Bonus Discounts:

- **Motherhood Maternity** has increased to 8% instead of 6%
- **Spa Finder**, 13% instead of 12% through October 19th
- **Red Robin**, 11% instead of 9%, October through December

Please remember to use only current scrip forms. Recycle the old ones! There are additions, deletions, and denominational changes made regularly on our scrip form, so using a current form will help us fill your order accurately and without confusion.

HELPING HANDS

PSF has set up a new program called **Helping Hands**. Caroline O'Neill is the Coordinator. It's an online scheduling program where registered members (that would be you and I, hopefully) will be notified by email if there is a family at our school that is in need (a death in the family, a surgery, etc.). If you are interested in helping provide a meal, then you can log onto the website and see what days meals are being scheduled for, and you can sign up for one of those days.

Even if you can't help this time, we encourage all of you to check out the Helping Hands website and register, so that you might be kept informed of needs in the future. You won't receive lots of junk emails, because the website requires that 1) you register; 2) the Coordinator (Caroline O'Neill) confirms that you are a member of our school (not a spammer); and 3) you have to confirm your desire to join one more time. Then you are notified ONLY when our Coordinator sets up a new event.

Below is a welcome letter from Caroline O'Neill. Please visit the Helping Hands website listed and become a part of this great new ministry!

Thank you for signing up for Helping Hands. We have designed this ministry at our school to reach out to those in need. As a recipient of meals being delivered to my home last year, this ministry is near and dear to my heart. At first it was hard to be on the receiving side; I have always been on the giving side. However, it was a huge blessing knowing that there would be a meal for me and my family. So, with that being said, thank you from the bottom of my heart for signing up to be the hands and feet of Christ.

There are just a few things you will have to do to get started. Please go to the web site below. Fill out the information on the right hand side of the page. It should be labeled **Request to Join the Community**. Once you have done this I will receive an e-mail to confirm you as a member. Once you have been approved, you will be automatically added to the community and sent instructions for setting a password and signing in.

2010-11 CROSSROADS COUGARS FLAG FOOTBALL TEAM

Cougar Boys Are 2 and 1 With Loss To Loma Linda

Cougars are definitely a top team easily defeating Upland but lose to last year's league champs Loma Linda. Loma Linda's well-organized offense and quick-handed defense caught the Cougars off guard handing them their first loss, 24 to 18. Coach Scott said in the first half the defense played tentative and the offense did not play as a team until the second half. The Cougars did score twice in the second half but it was too late. This week the boys have three games, Monday, October 18th, away at Packinghouse Academy in Redlands, Tuesday, October 19th, at home against Redland Adventist and Thursday, October 21st, at home against Upland Christian.

The Cougar Football team members are Kobi Nwadiwe, Garret J., Jakob H., Brandon M., Caleb C., Ryon K., Blake L., Riley K., Noah T, Anthony C., Alex S., Matt V., Joshua S., Jordan B., Cory D., Nick A., Quincy D. Our awesome coach is Chris Scott.
