CHAPEL MISSION PROJECT -

Last school year we had the privilege of hosting the **Children of the World Choir**. As a result of their concert, Crossroads Christian Schools has committed to provide the funds to build a **Deep Bore Well**, which can provide clean water for 1,000 people a day for 20 years. The cost of a Deep Bore Well is \$15,000.

Every chapel service this year we will be accepting an offering. Every penny collected will be sent to

causelife to fulfill our commitment to build a **Deep Bore Well**. Would you partner with us? Would you send just **50 cents** each chapel day in an offering envelope? If each Crossroads student brought 50 cents each week, we would almost have enough money in 1 school year to build our well. For more info see www.causelife.org. Thank you in advance for your partnership in this worthy endeavor.
