## CCS COMMITMENT TO CURRENTLY ENROLLED FAMILIES

In a continued effort to partner with our parents of currently enrolled students during these difficult economic times, Crossroads Christian Schools is pleased to announce that the tuition for next year will remain the same as this year for K-8<sup>th</sup> grade. In addition, for currently enrolled students CCS is offering a contract that will keep the tuition rate the same for the following year (2010-2011).

If your child is enrolled for the 2008-09 school year (including presently enrolled preschoolers), the tuition for the enrolled child (K-8<sup>th</sup>) will remain at the 2008-09 rates for not only the 2009-2010 year, but also the 2010-2011 year as well. To maintain the contract and the freeze on tuition, the student must remain enrolled. An enrolled child that withdraws and later returns would be subject to any increases in tuition.

Those enrolling in the high school for the 2009-2010 school year can also lock in the same tuition rate for 2010-2011.

## FIRST CCHS PARENT/STUDENT INFORMATION MEETING

You are invited to attend our First **Crossroads Christian High School** information meeting, this Wednesday, February 11th, from 7-8pm in our school chapel. If you are a current CCS parent, join us for a reception from 6-7pm and meet the new Administration Team, ask questions and give input. Senior Pastor Chuck Booher (Crossroads Christian Church) will share his vision for the high school. The new Administrative Team will explain the academics, spiritual life, and athletic programs to be offered. You will be given the opportunity to pre-register and receive a voucher for early registration. BE A PART OF CROSSROADS' FUTURE!

## MIDDLE SCHOOL CAR WASH

Looking for a special gift for your valentine? How about a car wash? The cast of the Middle School's production of "Godspell" will be washing cars on Valentine's Day, this Saturday, February 14th (and Saturday, March 28<sup>th</sup>). All proceeds will go to offset the cost of the 6th annual spring production. The car wash will be held in front of the school offices from 10am-2pm. Your support would be greatly appreciated!

## SCRIP

**Just a reminder:** If you have saved old scrip forms, please throw them away. Since there are denominational changes, additions and deletions on a regular basis, it'll help us fill your order accurately and without delay if current forms are used.

Our scrip company has informed us that **Gottschalks** has filed Chapter 11 bankruptcy, so Gottschalks gift cards will no longer be available through our scrip program. If you have gift cards, use them quickly!

## REGISTRATION INFORMATION

As we look forward to another school year, we are excited about what God is doing at Crossroads Christian Schools. We are opening Crossroads Christian High School in the fall of 2009 with a freshman class and five fully equipped classrooms on the church campus. With a renewed and committed relationship between church and school, we are moving forward with a sense of both adventure and intention as we follow God's leading.

Looking toward registration, we are sensitive to the fact that economic times are difficult for many and are doing our best to be good stewards of what God has given us. In light of these considerations, we have made the following decisions for this year's registration fee schedule.

Crossroads Christian Schools is pleased to announce that the tuition for next year will remain the same as this year for K-8<sup>th</sup> grade. In addition, for currently enrolled students CCS is offering a contract that will keep the tuition rate the same for the following year (2010-2011), and we are offering an early registration voucher of \$100 (per student) to current Crossroads school families for use between the dates of March 3<sup>rd</sup> and March 18<sup>th</sup>. These same vouchers will be made available to Crossroads church families for use March 17<sup>th</sup> through April 15<sup>th</sup>. Your child will be coming home with a registration packet the last week of February.

In order for us to make plans for the upcoming year and to offer timely contracts for our teachers we will be closing open registration on April 15<sup>th</sup>. At that time we will be creating waiting lists until we reach the point where a viable number of students have been reached to create a classroom. Registrations, therefore, after April 15<sup>th</sup> will be taken on a case by case basis. In order for us to remain financially stable as a private Christian school it is essential that we make careful decisions with regard to our operating budget. Many private Christian schools are struggling financially, and some are even closing their doors in the face of economic hardship. We are committed to making prudent, thoughtful decisions to keep our school in good financial health. Thank you for your support in these considerations.

While we are serious about our responsibilities, we are hopeful and enthusiastic about the future of Crossroads Christian Schools. We are moving forward with vision and believe that God has many great things for us to do here, including providing a high school where our students can complete their Christian education. The programs in our preschool and elementary school are continuing to offer excellence in academics and enrichment in the arts and spiritual instruction. Crossroads Christian School is a great place to be!
