

# CROSSROADS CONNECTION

WEEK OF MARCH 1<sup>ST</sup>, 2010

## A NOTE FROM BETH

Something very exciting has been happening outside of my office windows for the past few weeks. Mrs. Markley's middle school elective class is engaged in the "Disney Planet Challenge". Disney Planet Challenge is a project-based environmental competition for 4th, 5th, and 6th grade classrooms across the United States.

In this competition students learn about science, conservation and teamwork. Mrs. Markley is leading a group of sixth grade students in a project dedicated to solar energy. They are building working solar panels from the "ground up" as part of their project. They have also researched solar energy, created a poster campaign and presented assemblies for younger students on campus.

The area outside of my office has become their workshop. They have been measuring, sawing, drilling, nailing, and painting their panels. It has been so much fun to watch. Not only have they done all the work themselves, but have raised part of the funds required for the project as well. Their final portfolio will be completed this week and we are SO proud of their hard work and dedication to this project. Thank you, Mrs. Markley and sixth grade students for a job well done!

For more information on this competition, you can go to [www.disney.go.com/planetchallenge/](http://www.disney.go.com/planetchallenge/). This is one more way that Crossroads students are learning to become "world changers" as part of their education experience.

## LOVE BEARS ALL THINGS!

The Leukemia & Lymphoma Society (LLS) is the world's largest voluntary health organization dedicated to funding blood cancer research and providing education and patient services. Since 1949, the LLS has been relentless in pursuit of its mission: to cure leukemia, lymphoma, Hodgkin's disease and myeloma, and improve the quality of life of patients and their families. Team in Training is the LLS's charity sports training program, the largest of its kind in the nation. Designed to help prepare individuals to complete endurance events like marathons, triathlons or 100-mile century bike rides, participants in Team in Training have raised over \$1 billion dollars to date to benefit blood cancer research. If you would like to support Team In Training and the LLS in their effort to "save lives, one mile at a time," CCS student Liam Resch will be selling beanie baby "Love Bears" (because "love bears all things..." 1 Corinthians 13:7) on March 5<sup>th</sup>. The bears are \$8 each, and will be available for purchase at Chapel and in the Main Office. 100% of the proceeds will go directly to the LLS. For more information about Team in Training, you can visit [www.teamintraining.org](http://www.teamintraining.org).

## SCRIP

Because all office staff will be involved with student registration tomorrow, March 2<sup>nd</sup>, we had our **Scrip Non-Uniform Dress Day TODAY!** Please make sure your student does not come to school tomorrow out of uniform. Scrip backorders should come in on Wednesday this week. If you missed or forgot the previous notices and send in your order on Tuesday, we will do our best to fill your order. However, special orders (items that are not stocked) will have to be ordered next week. We apologize for the necessary change this week.

**JCPenney** is offering a bonus discount of 6% instead of 5% through March 23<sup>rd</sup>.

## ISLANDS FAMILY FELLOWSHIP

Plan now to join us March 3<sup>rd</sup> and 4<sup>th</sup> for a great time of food and fellowship. Flyers went home Monday. This is an easy fundraiser for the school. See you there!

## MOMS IN TOUCH

Join us on Wednesday, 8:15am, in the middle school office area.

## COFFEE BAR

The crossroads coffee bar is now open. We serve specialty coffee and espresso drinks, as well as hot chocolate and Italian sodas. We also have an assortment of delicious cookies. Our hours are 7:00-1:00pm and 2:00-4:30pm.
