### CCS FAMILY DAY

Gather your family members together and join us for **CCS Family Day**. We invite you to come and visit your child's classroom and see what he/she has been learning. Enjoy homemade treats....and....if you would like to spend an extended afternoon with your special little friend - no problem! The elementary and middle schools have a minimum day. All we ask, is parents, please send a note to the classroom teacher letting us know who will be picking up your child. Guests should sign out in the classroom. Preschool friends must check out in the office. You must be listed on the student's emergency information and we will ask you to show identification. For dates and times, check out the **Master Calendars** on this page.

## SCRIP

If you have saved old scrip forms, **please throw them away**. Since there are denominational changes, additions and deletions are made on a regular basis, it'll help us fill your order accurately and without delay if current forms are used. Thank you!

## THE RACE IS ON.....

Does your class have the **most spirit**? If so, your classroom can win an **Ice Cream Sundae Party!** Wear your school spirit shirt every Friday to be counted in your classroom total. We will be keeping track of each classroom's spirit points weekly and at the end of the each quarter, the class with the most spirit shirt participation will win! Points are calculated by percentages, so *any* size classroom can win! All K-5<sup>th</sup> grade classes are participating.

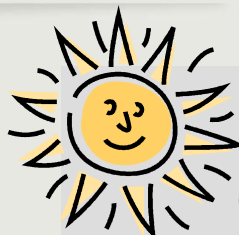

## COACH'S CORNER

## CREATION

Written by Matthew  
(A Four Year Old in Miss Sue's Class)

*He made the sun because He needs to see.  
He made the oceans so people can surf on there.  
He made the moon, so people can go to sleep.  
He made stars, so people can wish for something.*
