## PHILOSOPHY OF CHRISTIAN EDUCATION

The philosophy of Crossroads Christian School is to enable children to view life from God's perspective because He is Truth. We believe Biblical perspective is communicated through 1) His Creation, 2) His Son, Jesus Christ, and 3) His Holy Word, the Bible.

The Bible is the inspired, infallible, and authoritative Word of God. Jesus Christ is the central theme of biblical history and is the central authority of what men say, do, or believe. Man was created in God's image, but that image was ruined at the fall when man chose to sin against God. God provided a way of redemption for man through the life, death and resurrection of His Son, Jesus Christ. A regenerated person receives the Holy Spirit to guide him or her into all truth.

We seek to ground everything we do on the transforming gospel of Jesus Christ. All members of the educational process at Crossroads Christian School are personally committed to Jesus Christ. Facilitators seek to integrate Biblical truth into each subject being taught. We believe the educational process is only accomplished through the ministry of the Holy Spirit.

We believe that a proper relationship between family, church, and school is essential to Christian education. It is the responsibility of the parents to teach and train a child. Crossroads Christian School, as a ministry of Crossroads Christian Church, is an extension of the educational process at home.

The pursuit of knowledge is more than a collection of information. It also includes understanding and Godly wisdom. We are committed to leading children to a relationship with God, to graduating learners with both competence and character, and developing their skills to impact their communities as history makers and world changers for the glory of God.

## STATEMENT OF FAITH

Crossroads Christian School views itself as an indispensable part of the three major forces in the life of each child: the home, the school and the church. Crossroads Christian School was founded and functions upon the fundamental principles of the Word of God, and it espouses the historic Christian view of life as presented in the Bible. The following statement of faith and practice are held by CCS:

1. We believe in God the Father, God the Son, God the Holy Spirit and that they are distinct persons with distinct roles, but one God. And that One God is the Creator of the universe. **(Deuteronomy 6:4-5; Ephesians 4:6; John 17:21)**
2. We believe the Bible is the divinely inspired Word of God in its entirety and that it does not contradict itself. It is our guide. **(2 Timothy 3:16-17; 1 Peter 1:20, 21)**
3. We believe Jesus Christ is the Messiah, the Savior, the Son of God who was born of a virgin, lived a sinless life, died on a cross, and was raised from the grave. He will return as our victorious Lord. **(1 Timothy 2:5, 6; Hebrews 1:8)**
4. We believe our salvation comes only through Jesus Christ and cannot be earned. It is a gift of God. **(Ephesians 2:8-9)**
5. We believe the church, as the body of Christ, is the extension of Jesus Christ's character, attitude, behavior, and mission in our world today. **(1 Corinthians 12:13; Ephesians 2:11-21; Matthew 16:8, Acts 2:38)**
6. We believe faith in Jesus requires repentance, confession of that faith before witnesses, and obedience to His Word. Baptism by immersion demonstrates our faith and obedience while it depicts our union with Christ in His death, burial, and resurrection. **(Romans 6:4; 2 Peter 3:9)**
7. We believe man was created in the image of God and that He gives gifts to both men and women through the Holy Spirit for the benefit of the church's ministry. **(Genesis 1:26, 27; Romans 3:10, 23)**
8. We believe everyone who accepts Christ has the indwelling presence of the Holy Spirit who acts as a Comforter, Guide, and Advocate. **(John 16:7-15; Romans 8:16; Ephesians 4:7; 1 Corinthians 12:7)**
9. We believe humility in prayer is the foundation for all we do, and that celebrating communion together weekly is beneficial for all Christians. **(1 Corinthians 11:23, 24)**
10. We believe marriage has been established by God. This church defines marriage as the exclusive covenantal union of one man and one woman in which such union is a lifetime commitment. A civil government's sanction of a union will be recognized as legitimate marriage by the church only to the extent that it is consistent with the definition of marriage found in these Articles. **(Genesis 2:7, 18, 21-24; 1 Timothy 3:2, 12; Ephesians 5:22-31; 1 Corinthians 6:9; Hebrews 13:4)**
11. We believe that God wonderfully and immutably creates each person as male or female, and these distinct, complementary genders together reflect the image of God. **(Gen 1:26-27.)** Rejection of one's biological sex is a rejection of the image of God within that person.

## **INSTRUCTIONAL PROGRAM**

In an environment that is anchored in God's Word as the foundation of truth and knowledge seeking, it is our desire to see each learner strengthen his or her relationship with Jesus Christ. The Bible - God's Word - is carefully and purposefully integrated into all curriculum, as well as being a dynamic course of study by itself.

A higher standard of academics not only has the integration of biblical social values, but facilitating learners to have a sound mastery of self-discipline, communication, and collaboration tools to be effective in the collegiate and corporate workplace. The goal of Crossroads Christian School is to prepare and produce learners who are able to utilize their schooling experience in exploring faith, class content, and workplace skills to positively impact their individual futures and whole communities.

## **LIVING CURRICULUM**

The facilitative staff and administration at Crossroads Christian School (CCS) is highly qualified and thoroughly dedicated to helping each learner toward positive spiritual, mental, emotional, and physical growth. We believe that the knowledge of the Bible and the person of Jesus Christ are essential to the development and growth of each individual learner in spiritual, mental, physical, and social areas. All staff and faculty have a personal relationship with Jesus Christ and they allow the Holy Spirit to minister through them as they affect the lives of the learners. As a ministry of Crossroads Christian Church, our staff meets the standards of personal integrity, sacrificial service, and hold to our statement of faith.

## **ACCREDITATION/CERTIFICATION**

Our facilitators have and are certified with ACSI and/or the state of California.

## **SCHOOL COLORS**

Our school colors are red, silver, and black.

## **SCHOOL MASCOT "COUGAR"**

The courage of a Cougar reminds learners to be courageous in their daily walk with the Lord.

*Have I not commanded you? Be strong and courageous. Do not be terrified; do not be discouraged, for the LORD your God will be with you wherever you go.* Joshua 1:9 (NASB)

# Admissions

Crossroads Christian School is open to anyone interested in securing a Christian education, from preschool through high school, who the school finds qualified for admission and who agrees (and whose parents agree) that he or she shall abide by Crossroads Christian School rules. Attendance at CCS is a privilege and not a right. Any learner who does not conform to the school’s standards of conduct and/or who is unwilling to adjust to our code of conduct must forfeit this privilege.

We believe the Bible mandates that the primary responsibility of each learner’s education rests with the parents, and we view the school’s role as one of partnership with the parents in this endeavor. To establish and maintain a successful partnership, it is essential that parents agree with the philosophies and intentions of the school. If, at any point during the school year, you as the parent find that you disagree with the philosophy standards or administration of the school, by practicing the Matthew 18 principle, (“Moreover, if your brother sins against you, go and tell him his fault between you and him alone. If he hears you, you have gained a brother. But if he will not hear you, take with you one or two more....”) you should make every effort to work with the administration for a solution. If a harmonious solution cannot be reached, the learner may be asked to leave the school.

All learners must desire to attend Crossroads Christian School and agree to honestly and wholeheartedly apply themselves to “study to show (themselves) approved unto God.” (2 Timothy 2:15 KJV) They agree to conform to the current discipline and dress codes, and agree to be courteous and respectful to their peers, staff, faculty, and other daily associates. Crossroads Christian School admits learners of any race, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to learners at the school. Crossroads Christian School does not discriminate based on race, color, national or ethnic origin in the administration of its educational policies, admissions policies, athletic, and other school-administered programs.

We do screen applicants based on academic ability, character, and desire and willingness to participate in the CCS program.

# Academic Policies and Procedures

*The measurable learner outcomes identified for use for purposes of this part, means the extent to which learners of the school demonstrate that they have attained the skills, knowledge, and attitudes specified as goals in the school’s educational program. [California Education Code Section 47605(b)(5)(B)]*

## GRADING SCALE

The grading system is as follows:

<b>A+</b> 100-97	<b>B+</b> 89-87	<b>C+</b> 79-77	<b>D+</b> 69-67
<b>A</b> 96-93	<b>B</b> 86-83	<b>C</b> 76-73	<b>D</b> 65-63
<b>A-</b> 92-90	<b>B-</b> 82-80	<b>C-</b> 72-70	<b>D-</b> 62-60
			<b>F</b> 59-below

- Letter grades are not given in Kindergarten-2nd grade. A system for mastering skills and concepts is used to measure achievement and is defined on the report card.
- High School does NOT consider D’s or F’s as passing grades; no credit will be given for the course. If a learner receives a 69% or lower, the course will need to be remediated in a credit recovery program, WASC accredited or any other nationally accredited, UC Approved, and outside of CCHS. On the completion of that course, it is the responsibility of the learner and family to have all necessary paperwork and official transcript sent to the CCHS office to transfer the necessary grade and credit.

## SEMESTER GRADES & REPORT CARDS

- CCS operates on the semester system.
- Semester Report Cards are issued electronically through email in January and June.
- Progress information may be viewed throughout the semester by logging into Canvas where each facilitator regularly updates learner progress.

## PROGRESS REPORTS

A learner’s academic progress can be followed by using the Learning Management System, Canvas, which can be found on the website ([www.crossroadsschool.org](http://www.crossroadsschool.org)). Information regarding current grades and attendance status can be found here and is updated every Monday. Posting up-to-date grades to Canvas is a part of the schools’ official communication policy regarding learner academic progress. It is highly encouraged to check these reports on a weekly basis. If the learner is working below a “C” level in any class, a parent should call the facilitator/administrator to discuss the situation or request a conference. With help from the facilitators and parents, learners must act to improve their grades by the end of the quarter/semester.

## CUMULATIVE RECORDS (CUM FILE)

Pursuant to the [Education Code of California, Chapter 1.5, Article 3, Section 49063], you are hereby given notification of privacy rights of parents and learners. CCHS learners are offered several Honors level courses that have been UC approved for a 5.0 scale GPA bump. All those seeking a CCHS diploma are eligible to take courses that have been approved for GPA bumps, not to exceed the maximum number of courses offered at CCHS for a 5.0 scale GPA bump. Should a learner elect to take an AP or Honors course eligible for a 5.0 scale GPA bump outside of CCHS, that course must be offered from a WASC accredited school and must be UC approved. Any course taken outside of CCHS must also be approved and signed off by administration prior to registering for the course. Additionally, if a learner elects to take a course outside of the courses required by CCHS, this course cannot take the place of any of the required courses offered at CCHS. If an AP or Honors course is taken outside of CCHS, and it leads to exceeding the maximum number of eligible courses for a GPA bump at CCHS, the final grade will be honored based on a 4.0 scale; however, all learners remain eligible to take an AP test for college credit regardless of whether that AP course was given a grade based on a 4.0 or 5.0 scale.

## **ACADEMIC DISHONESTY**

Academic Dishonesty is largely defined as falsely presenting another's ideas or words as your own. Learners are prohibited from engaging in these activities in accordance with best academic practices to ensure the highest educational standards.

Academic Dishonesty includes:

- Plagiarism is the representation of words, thoughts, or ideas of another as one's own in any academic work.
- Directly copying or paraphrasing from a source without reference
- Failing to properly credit the work of another using established formatting guidelines (MLA, APA, Chicago)
- Using artwork or pictures without proper citation
- Cheating is an attempt to undermine the integrity of any assessment.
- Attempting to use or access answers during a closed assessment
- Requesting, insisting on using, or submitting other learner's work
- Sharing individual work with others that could potentially be submitted as their own
- While taking online closed assessments using the Canvas LMS System, users are not permitted to access any other windows or screens on their computer. The system will log such activity and the assessment will be declared invalid.
- Learners are not permitted to log into other learner's Canvas LMS accounts. Learners are encouraged to keep individual usernames and passwords confidential and do not share this information with others.
- Altering or falsifying grades
- Recycling previously submitted work (another individual's or your own) for another assignment

The following consequences for Academic Dishonesty will apply to the learner's entire high school career:

1. Zero on the assignment and counseling with the Dean of Academics and Administration
2. Zero on the assignment and suspension
3. Zero on the assignment and recommendation to administration for dismissal

# Attendance

*The California State Education Code defines that an excused absence from school can only be granted for illness, medical appointments, or bereavement. The school determines when an absence is deemed unexcused. It is not the prerogative of a parent to excuse an absence. Prearranged absences are not excused unless permitted by the school administration. Unexcused absences may have academic consequences.*

Crossroads Christian School believes that regular school attendance is a necessary part of the learning process and a vital component of the development of each learner. The valuable classroom/lab experience is composed of participation in class activities and direct instruction conducted by the facilitators. We ask that we partner together to train our learner to understand the value of attending school regularly. Learners that are frequently absent may find their grades adversely affected.

## LATE ARRIVAL POLICIES

Kindergarten-High School starts at 8:00 AM. Learners that arrive after 8:00 AM are considered tardy.

### Kindergarten - 8th Grade:

**All Kindergarten - Eighth Grade Learners arriving after 8:00am must be walked to the office by a parent or guardian and signed in on the official roster.** Parents are not permitted to walk their children to class after 8:00 a.m., as class has already begun. Sixth - Eighth Grade learners are also considered tardy if they arrive to any class period after the bell has rung.

### High School

On arrival to school, learners should be in the Plex for Opening Block. Learners, who arrive after 8:00AM must sign-in at the CCHS Office.

## ATTENDANCE CONSEQUENCES K-12

- An email will be sent to the learner and parents after five (5) tardies.
- A conference with an Office Administrator will take place for any learner who receives six (6) tardies to discuss a plan for improvement.
- On the eight (8) tardy, an email will be sent to warn of the possible suspension.
- After nine (9) tardies, an email will be sent to notify the learner and parents that they will serve a 1-day suspension from school.
- **Learners must attend school a minimum of half of their academic class periods to participate in a after school-sanctioned events, sports practices and games that day.** Learners must be present by 8:00AM and cannot be checked out until 11:30AM. A learner must be in attendance at least one-half of the instructional day to be counted present; otherwise the learner is counted absent.

## EARLY CHECKOUT POLICY

### Kindergarten - 8th Grade

An authorized adult and/or parent/legal guardian must personally sign out learners leaving school prior to the completion of the school day in the appropriate school office.

### High School

An authorized adult and or parent/legal guardian must personally sign out learners. If learner drives a parent/legal guardian can call and give permission for a learner to leave school prior to the completion of the school day.

We are a **closed campus**. This means that no learner is to leave the school grounds during the regular school day for any reason unless the following procedures are observed:

- **Dental/Doctor Appointments:** We ask that you make medical and dental appointments after school hours. **Please call the appropriate school office and notify the facilitator via note/email** the morning of an appointment if your learner needs to leave early that day.

# Lunch Policies and Food Services

## **KINDERGARTEN - 10TH GRADES:**

Learners must stay on campus during lunch periods unless their parent, guardian, or authorized adult signs them out through the school office.

## **K-8TH FOOD SERVICES:**

Villa Amalfi offers a computerized account program for each child called PAYPAMS. Once the learner is enrolled in the program, he/she will be assigned a personal lunch I.D. number, which the learner enters into a touch keypad in the food service area. The learner may use his/her lunch account for breakfast, snack and lunch.

It is recommended to go online to PAYPAMS.com to check the learner's balance on a weekly basis and replenish the account with a credit card once the funds are low. This proactive measure will eliminate any disruption in the learner's lunch service. If parents desire to pay by check or cash, the learner's name and room number needs to be clearly printed on the check or envelope submitted. Checks are payable to Villa Amalfi Catering, not to the school. The monthly menu is available on the school's website as well as the main office. There is also an a la carte menu with other daily items to choose from at varying price. If learners have forgotten their lunch or have depleted their money in their account, lunch will be provided and you will be billed accordingly.

If you need to drop off lunch for your children, the lunch cart will be located outside the school's front gate. Lunches will be delivered to the lunch tables prior to lunch times. Learners will go directly to the lunch area and not to the front office. Please be sure to bring lunches at the appropriate time to ensure they will have their lunches at the tables.

## **11TH - 12TH GRADES OFF CAMPUS LUNCH PRIVILEGE:**

*The governing board of Crossroads Christian School, pursuant to Section 44808.5 of the Education Code, has decided to permit the pupils in grades 11 and 12 enrolled by Crossroads Christian High School to leave the school grounds during the lunch period subject to the following conditions: [California Education Code Section 44808.5] Neither the school district nor any officer or employee thereof shall be liable for the conduct or safety of any pupil during such time as the pupil has left the school grounds pursuant to this section.*

11th & 12th grade learners may leave campus during lunch period provided they have met the requirements of the CCHS off campus Lunch Policy and pay a \$10 fee.

- Learners parent/guardian MUST sign a "Request for off-campus Lunch" form and placed on file in the HS office.

- Off-campus lunch privilege may be revoked immediately following an after-lunch tardy or truancy.
- Learners with an off-campus lunch privilege are expected to maintain acceptable behavior according to the policies outlined in this handbook. Any unacceptable behavior WILL result in an immediate loss of the off-campus lunch privilege.
- Learners MUST sign out in the office when they leave for lunch and sign back in when they return.
- Parents, and the CCHS Administrative Team, may choose to revoke the off-campus lunch privilege at any time. CCHS will provide food from off campus vendors for learners to purchase. We also provide a snack bar, "Global Eats" during Opening Block, break, lunch, and break prior to Fine Arts/Athletics.

# Absence Policies

## ELEMENTARY-MIDDLE SCHOOL ABSENCE POLICY

CCS documents all absences. If your child is absent you must notify the school in writing within three (3) days. You may email your child's facilitator or send a note with your learner. All correspondence must include the following:

- Child's name
- Date of absence(s)
- Reason for absence
- Facilitator's name/grade

All missed classroom/lab assignments must be completed and returned to your child's facilitator promptly, but no later than the Monday following the absence. Projects and major assignments that were assigned prior to the absence are due on the day of the original due date.

Please check Canvas Plus Portals for eLabs and classroom/lab overview. If your child is absent, you may request for textbooks and assignments to be left in the office for pick-up by contacting your child(s) facilitator. Please allow up to 24 hours. Learners that have excessive absences may be referred to the CCS Executive Administrative Team.

## HIGH SCHOOL ABSENCE POLICY

Failure of a learner to attend school will be considered an absence. Each absence will be considered either excused or unexcused. The maximum number of allowable absences per semester is five (5) days from any one content block unless the Administrative Team grants a waiver. A waiver is granted in instances of reasonable accommodation of a disability documented by medical evidence or for rare or extreme circumstances as determined by the administration.

Attendance is recorded daily. Any learner who is absent more than five blocks (5) may lose credit in that course. Learners will receive additional independent project material at the direction of the facilitator to compensate for missed class time.

To instill in CCHS learners a sense of responsibility for their attendance and prepare them for the workplace, it is required that learners communicate to facilitators in a timely manner regarding their missed time from the classroom/lab.

## MAKE-UP WORK

- All eLabs are due by 8AM regardless of the learner's attendance for the day.
- If an extraordinary circumstance occurs, the learner MUST contact the facilitator before 8AM on the day the eLab is due to request an extension. It is at the discretion of CCHS Administration whether to grant the extension or not.
- To receive credit for all other absent project work, assessments, and in class activities, it is the responsibility of the learner to contact the appropriate facilitators or CCHS Office before 8AM the date of absence.
- Learners MUST then communicate to the facilitators to schedule all the make-up work within one week of an absence. All coursework not completed in the approved segment of time will receive a zero.
- If communication is not made in a timely manner, learners will not receive credit for absent coursework

## KINDERGARTEN - 12TH GRADE

### Excused Absences

- An excused absence is an absence with the knowledge and consent of parents and school staff due to a personal illness, serious illness in the family, death in the family, school- approved trips, medical or dental appointments, and court appearances. Notification from parent via email, phone call or note needs to be submitted by the time learner returns to school.

### **Unexcused Absences**

- An absence for any reason other than those listed above will be considered “unexcused” regardless of parent knowledge and consent. Missed work due to an unexcused absence will receive a ‘O’.

### **Pre-arranged Absences**

- For absences that are anticipated, a Pre-Arranged absence form **MUST** be filled out two (2) weeks in advance and submitted to the CCS office. In addition, PLEASE notify your facilitator(s) and Learning Teams the dates of your pre-arranged absence. Pre-Arranged Absence forms can be obtained on the CCS website, at the end of the Parent Learner Handbook, or from the office.

## **CCS Dress Code Basic Principles**

The CCS dress code has been established to develop learner attitudes and behaviors that honor our Lord Jesus Christ and promote spiritual growth.

*All things are legitimate [permissible - and we are free to do anything we please], but not all things are helpful (expedient, profitable and wholesome). All things are legitimate, but not all things are constructive [to character] and edifying [to spiritual life]. Let no one then seek his own good and advantage and profit, but [rather let him seek welfare of his neighbor]. 1 Corinthians 10:23-24 (Amplified Bible)*

The word “edify” translates to “the act of building” and is used figuratively in the New Testament to refer to the promotion of spiritual growth. As believers, it is our Biblical responsibility to conduct ourselves in word and deed (including dress) in a manner that glorifies God and promotes personal and corporate spiritual growth. Therefore, we require that everyone at Crossroads Christian School maintain an appearance, which conforms to the following guidelines and basic principles:

- **Godliness** (1 Timothy 4:12) *Don't let anyone look down on you because you are young, but set an example for the believers in speech, in conduct, in love, in faith, and in purity.*
- **Modesty** (1 Timothy 2:9) *Also want the women to dress modestly, with decency and propriety, adorning themselves, not with elaborate hairstyles or gold or pearls or expensive clothes.*
- **Cleanliness**
- **Practicality**
- **Safety**
- **Neatness**

A learners' appearance has an impact on his/her attitudes and behaviors. Respect for the CCS community and the education process, is shown by learner's attire. Not all fashions that are appropriate in the secular world are appropriate for a school emulating a biblical worldview. The following dress standards have been established for appropriate dress at school and all school related functions to help maintain a sense of Christian modesty, while also educating learners as to what is appropriate dress in the CCS environment. If there is any question that an item may be appropriate for dress, it should not be worn.

Please consider what the logos and slogans on your clothing represent before wearing them. Some recent examples are: Abercrombie & Fitch, G-Unit, Hostility, South Park, and Famous Stars and Straps. These and other companies will be scrutinized based on the company's Internet site for modesty, sexual content, violence, and anything against the Christian values our school is trying to uphold.

# Classroom Communication K-5

The avenue for classroom communication will be through Canvas. You may access the Classroom Connection from the homepage of our website or from your Canvas account.

## Device Policy

Cellular communication devices may not be used during class time other than for permissible educational purposes. With current technology, devices can also be used for text messaging, web browsing, and sending visual images. Therefore, to avoid interrupting class, to avoid any possibility of cheating, and to uphold personal privacy, devices may NOT be seen or heard during school hours.

- On the first offense, the device will be confiscated and the learner may pick it up afterschool with device possibly suspended.
- On the second offense, the device will be confiscated and can be picked up in the Administrative office with device possibly suspended for a longer period.
- A third offense will result in the device confiscated and the parent/guardian will have to pick it up in the Administrators office with device possibly suspended for and even longer period.

A learner may ask permission to use their cell phone during class should a circumstance arise where he/she feels the need to do so. Learners are cautioned about sending and/or receiving inappropriate messages or photos. Such incidents may result in disciplinary action deemed appropriate by the Administration. When appropriate, law enforcement agencies may be involved.

## Technology Usage

Learners are never permitted to use facilitators or staff devices, nor are they permitted access to grade books or attendance. Violations of these restrictions may result in loss of device privileges, suspension, or expulsion from school. Learners are also cautioned about posting information on Internet sites (such as Facebook, YouTube, Instagram and Twitter, etc.) when such postings negatively impact the educational setting or identify Crossroads Christian School - including its learners or its staff - in a negative fashion. Disciplinary action will result in appropriate action by CCS Executive Administrative Team and/or Executive Administration Council.

The use of technology in the classroom is encouraged at CCS, except when the instructor deems that it does not enhance the learning objective. The facilitator will ask for "lids down" when they do not want learners on their computers during instruction. The school accepts no liability for loss or damage of personal electronic devices (Laptops, Kindle, Nook, Tablets, iPads, cell phones, etc.)

In all cases of inappropriate use of technology, law enforcement agencies may be involved and legal penalties imposed.

## Telephone Usage

The school phones are designated for business use only; however, learners may have access to a phone in an emergency. Should a parent need to leave a message for their learner or his/her facilitator, please call the school office.

## Picture Policy

The online registration provides an opportunity for parents to give permission for their learner to be photographed by signing and dating the following statement: "PHOTO PERMISSION: We have no objection to our child being included in any photographs taken at Crossroads Christian Schools, which might be used for purposes of interpreting the school program. These photos may be used in monthly

newsletter, the school website, in presentations, or on printed materials. No monetary compensation will be made for photographic usage. It is understood that any such photography will be done only by permission and under the supervision of administration.”

If any learner does not have permission to be photographed, CCS staff may NOT post photos to any school publication excluding the school yearbook.

### **Parent Email/Text Communication**

Parents will be informed of the latest developments and announcements relative to the school on our website and weekly emails will be sent out. Much effort will be spent communicating important information to you, so please ensure your most current contact information is on file and updated in ParentsWeb.

### **CCS Website**

Everything parents need to know about CCS can be found on the website: **CrossroadsSchool.org**. Please log on often for up-to-date information.

### **Discipline:**

The procedures by which learners can be suspended or expelled. California Education Code Section 47605(b)(5)(J)]

## **Standard of Conduct**

One of the unique purposes of CCS is to help prepare our learners for effective service for Christ in whatever path they choose. CCS desires for each learner to have a personal relationship with God through faith in Jesus Christ. Our desire is for learners to measure their lives by scriptural standards of conduct.

When a learner’s behavior or attitude conflicts with the standards of the school, every effort will be made to encourage the learner to demonstrate the change and improvement necessary to comply with these standards. As much as possible, misbehavior in the classroom will be handled by the facilitator and/or administrator.

Methods of maintaining learner discipline at CCS include the following:

- The facilitator and learner will have a meeting regarding the misbehavior.
- The facilitator will contact the parents if necessary.
- The facilitator may assign a consequence to the learner.
- The facilitator may request a conference to include the parent, learner, and administration.

If after a reasonable amount of time, the facilitator feels that there is a continuing problem in behavior or attitude, he or she will refer the learner to the Administration for further disciplinary action. For certain serious infractions to school standards and/or misbehavior, such as disrespect to administration, facilitators, learners fighting, learners will be referred immediately to **CCS Administration Executive Team**.

## Discipline Categories

Misconduct has been classified and divided into three categories, depending on the severity of the violation. Category 3 is the most severe. Learners should make every effort to avoid compromising situations, which might give the appearance of being involved in the following activities:

CATEGORY 1	CATEGORY 2	CATEGORY 3
<p><b>Definition:</b> (Disobedience) Violations of specific Category 1 rules. Any other minor disturbances that prevent classroom order and instruction.</p>	<p><b>Definition:</b> (Disrespect/Defiance) Activities and attitudes that show a lack of respect for authority. Violations of specific Category 2 rules. Frequent and repeated violation of Category 1 rules.</p>	<p><b>Definition:</b> Violation of federal, state, or municipal laws. Activities that seriously threaten the safety of the learner or classmates. Activities that show gross lack of respect for authority or property. Activities that violate Biblical moral codes, or conduct. Frequent and repeated violation of Category 2 rules</p>
<p><b>Offenses:</b></p> <ul style="list-style-type: none"> <li>• In-class offenses (i.e. excessive talking, leaving the lab without permission, etc.)</li> <li>• Tardy Notices</li> <li>• Defiance and/or disrespect toward authority</li> <li>• Constant distraction during course activity, team-time, or instruction</li> <li>• Repeated dress code violations</li> </ul>	<p><b>Offenses:</b></p> <ul style="list-style-type: none"> <li>• Blatant disrespect for authority figure</li> <li>• Fighting</li> <li>• Purposeful destruction of school property</li> <li>• Purposeful destruction of a second party's property</li> <li>• Foul language, name calling or swearing</li> <li>• Excessive tardy notices</li> </ul>	<p><b>Offenses:</b></p> <ul style="list-style-type: none"> <li>• Truancy from school</li> <li>• Bringing of possessing fireworks, matches or other flammable materials to campus</li> <li>• Involvement in immoral activities</li> <li>• Possessing, selling or furnishing any firearms, knife, box cutters, razor blades, pepper spray, explosive or other dangerous objects</li> <li>• Sexual harassment of individuals, whether verbal, physical, or environmental</li> <li>• Telling inappropriate jokes/stories, or using language unbecoming to a Christian</li> <li>• Use or possession of illegal drugs, alcoholic beverages, pornography, or any form of tobacco</li> <li>• Vaping</li> <li>• Defacing, or otherwise, injuring property that belongs to the school and/or church</li> <li>• Act of dishonesty, such as cheating, lying or stealing</li> <li>• Giving or receiving answers on tests or taking photographs of assessments</li> <li>• Plagiarizing (i.e. copying other people's material &amp; not attributing it to them)</li> </ul>
<p><b>Consequences:</b> Offenses will result in one or more of the following: email home, parent/learner disciplinary conference with facilitator and/or administration, or Category 2 consequences for recurrent offenses.</p>	<p><b>Consequences:</b> Offenses will result in one or more of the following: learner/administrator conference, parent/administrator conference, suspension, or Category 3 consequences for recurrent offenses. Administration has the authority to suspend a learner. The length of suspension is from one to five days.</p>	<p><b>Consequences:</b> Learners who violate the above standards may be suspended or expelled from CCHS. EXPULSION WILL BE RECOMMENDED UPON THE FIRST OFFENSE FOR VIOLATIONS INVOLVING DRUGS, WEAPONS, EXPLOSIVES, ALCOHOL, OR SEXUAL ASSAULT.</p>

## **EXPLANATION OF CONSEQUENCES:**

### **Suspension:**

If a learner is suspended from school a Parent/Administrator disciplinary conference will be held. Very specific attitudes and actions will be expected prior to re-admission. Work missed during any suspension will receive a 'O.' Disciplinary Probation may be invoked when a learner is suspended from school.

### **Matthew 18 Principle**

It is the policy of the school that problems, conflicts, criticisms, or suggestions are first taken up with the individual (i.e., facilitator or staff member) it directly concerns. Then, only if necessary, is the situation to be discussed with the Principal. This procedure is in direct accordance with Matthew 18:15-16.

Matthew 18:15-16 states:

*"Moreover, if your brother sins against you, go and tell him his fault between you and him alone. If he hears you, you have gained a brother. But if he will not hear you, take with you one or two more...."*

Experience has shown repeatedly that following this simple, yet straightforward, Biblical principle to resolve conflicts is not only the best way to resolve problems in a positive way, but can also preserve and improve personal relationships between everyone involved. Adhering to this godly guideline also reduces greatly the spread of rumors and misinformation, which is often hurtful and leads to the tearing down of individuals and the good name of the school.

## **PROBATION**

The probationary period at CCS is a restoration period assigned to a learner who fails to meet the standards of the school in his or her attitudes and behavior. A learner who is placed on probation will have a designated period to demonstrate the ability to perform satisfactorily at CCS. During the period of probation, a learner is expected to improve his or her conduct and stated benchmarks to the extent necessary to satisfy the administrator that he/she will benefit from continued enrollment at cchs.

During probation, the learner will meet with the administration on a regular basis to discuss progress. Definite, individualized benchmarks will be established for each learner in the following areas:

- Spiritual growth
- Academic progress
- Attitude
- Citizenship

Probation should be viewed as a time when the school and the family can work closely together to encourage growth and improvement in the life of the learner. It should be a positive experience for everyone involved. However, if the learner fails to respond positively to these efforts, and adequate progress is not shown, the learner may be asked to withdraw from the school.

### **Reasons for Probation are:**

- Academic
  - Insufficient academic progress
  - Failure of the parents to get specific recommended professional help
- Attitude
  - A rebellious spirit that is unchanged after much effort by the administration/facilitators
  - A continued negative attitude and bad influence upon the other learners
- Disciplinary
  - Continued deliberate disobedience
  - Committing a serious breach of conduct in school or outside of school that has an adverse effect upon the school's testimony

- Failure of the parents to comply with the disciplinary procedures of the school

**Probation Period:**

- The length of the probationary period will be determined by administration
- Learners’ activities may be limited
- All positions of trust and responsibility must be relinquished during this time

**ACADEMIC DISMISSAL OR BEHAVIORAL EXPULSION**

Dismissal or Expulsion will be recommended to the **CCS Executive Administration Council** if it becomes apparent that the learner will not be able to meet the requirements of the school, or that the learner’s behavior is preventing classroom instruction. Academic Dismissal and some Behavioral Expulsions may have the opportunity to Appeal the Dismissal/Expulsion before **the CCS Executive Administration Council**. Dismissal/Expulsion may also be recommended for violation of Category 3 rules, unresolved academic or disciplinary probation, or failure to correct the deficiencies specified in probationary admissions. When dismissal/expulsion is recommended, a date of withdrawal from the school will be set and the withdrawal procedure followed. The dismissal/expulsion date may be immediate. A learner may be dismissed/expelled from school for a serious breach of conduct, and/or repeated problems with behavior or academic performance. A dismissal/expulsion will NOT be considered for readmission until the following academic year.

## School Rules

The following school rules have been established to maintain and promote the safest and most effective environment for learning. These school rules will be enforced always and are in addition to facilitator expectations, which may vary. It is the learner’s responsibility to follow the rules of the school, treat others as they would want to be treated, and do nothing to interfere with the learning, safety, and well-being of other individuals.

- All learners are to be respectful and obedient to administration, facilitators, and staff always.
- All classroom and eLab assignments are to be completed and turned in as assigned.
- Learners are to be good examples of Christian young people both on and off campus. Learners are to show respect for the rights and feelings of others. Fighting, cheating, using bad language, etc., are not examples of Christian conduct.
- Learners are to be courteous and respectful to others and to personal and school property.
- Learners are not allowed to leave campus during the school day except with parent permission and office approval.
- No inappropriate roughhousing or touching.
- Bullying is taken very seriously at CCHS and will not be tolerated. A learner who is bullying another learner and refuses to stop may be subject to expulsion.

**BULLYING HARASSMENT POLICY**

Legal References: [Education Codes 32261(f)(g), 48900, 48900.2, 48900.3, 48900.4, 48910, 48911, 48915, 48915.5, 48918, 48918.5]

Crossroads Christian School is committed to providing all learners with a safe and healthy school environment. To that end, Crossroads has an obligation to promote mutual respect, tolerance and acceptance, and not tolerate behavior that infringes on the safety of anyone, including bullying. Learners and staff shall immediately report any suspected or observed bullying to school administration for investigation and appropriate action.

- Bullying is defined as the harassment of anyone, intimidation, a hazing or initiation activity, ridicule, extortion, or any other verbal, written, electronic communication, or physical conduct, repeated over time, that causes or threatens to cause bodily harm or emotional suffering, creates a hostile learning environment, or disrupts the normal operation of a school, classroom/lab, or school related activity.
- Bullying includes cyber bullying, which involves the use of electronic communications to post harassing messages, threats, social cruelty, or other harmful texts, sounds, or images on the Internet, social networking sites, or other digital technologies.

- Learners who engage in bullying (including cyber bullying) on campus, traveling to or from school, at school activities, or in a manner otherwise related to school attendance, shall be subject to school disciplinary procedures. A learner shall be subject to school disciplinary action for off-campus expressions (including via electronic means), when such expressions are obscene, libelous or slanderous, or when such expression poses a threat to the safety of anyone, staff or school property, or disrupts the educational program.

### **SEXUAL HARASSMENT POLICY**

Crossroads Christian School, a ministry of Crossroads Christian Church, in compliance with the California Education Code, is required to develop and distribute a policy regarding sexual harassment. CCS is committed to a work and educational environment in which all individuals are treated with respect and dignity. Each child has the right to learn in a professional, caring atmosphere that promotes equal educational opportunity, and is free from discriminatory practices. Sexual harassment is a violation of Title IX of the Education Amendment Act of 1972, Title VII of the Civil Rights Act of 1964, and [California Education Code Sections 210 through 214], inclusive. Therefore, CCS strongly condemns, opposes, and prohibits sexual harassment of individuals, whether verbal, physical, or environmental, by anyone. Any learner who violates this policy will be subject to discipline, up to, and including expulsion.

Staff members will model appropriate forms of addressing other learners. Curriculum will include books, music, and activities that demonstrate respect for others. Facilitators will be alert to gender biased comments and attitudes. Classroom/lab activities and lessons will be developmentally based so that learners will not be presented with concepts that are beyond their capabilities.

If parents or staff members become aware of comments or behaviors on the part of staff or other learners that could be considered sexual harassment, the parents or staff members are requested to bring their concerns to Administration. After talking with the Administration, the written complaint may be filed with the CCS Executive Administration Team. A confidential investigation of the matter will be conducted. The intent of the procedure is to insure prompt recourse, fairness and equity to the family alleging sexual harassment, to the learner, and to the witness. The investigation will be conducted by the Administration. The family will be notified as to the determination of the investigation.

If it is found that unlawful harassment has occurred, effective remedial action commensurate with the severity of the offense will be taken. CCS will not retaliate against the person or the learner making the complaint and will not knowingly permit retaliation by any CCS employee or other child or family member.

### **OBLIGATION OF ALL EMPLOYEES**

Employees shall report to the administration any conduct on the part of other employees or non-employees, such as representatives or service vendors, who sexually harass any learner enrolled at CCS. If there is harassment of learners within a classroom/lab setting, facilitators shall take the necessary steps in disciplining the learners involved. Facilitators shall notify administration of the incident in writing, giving detailed and specific account of the incident. This written statement may be used in the investigation and allegation. No employee of CCS shall take action to discourage a victim of harassment from reporting such an instance.

## **Curricular Activities**

### **CHAPEL**

Chapel is an important part of life at Crossroads Christian School. It is an opportunity for learners to hear outstanding speakers and participate in worship. Learners are required to attend Chapel and are expected to come desiring God to minister to them. Many of our learners have come to a deeper commitment to Christ during Chapel. They should come expectantly – looking for God to use the time to help them grow.

- Family members are always welcome to our Chapels.
- Each learner will demonstrate proper courtesy and Christian hospitality to all guest speakers by listening carefully and behaving properly. Their attitude toward the speaker should be respectful and attentive.
- At no time will studying or doing eLabs be allowed during Chapel.
- There is to be no unnecessary talking, distracting others, or disturbances.

- Learners should be encouraged to use the restroom before or after Chapel
- Learners are given the wonderful opportunity to engage in praise and worship during Chapel. Learners are encouraged to be active participants.
- Learners will be given the opportunity to accept Jesus as Lord and Savior during a time of invitation. Learners wishing to make this important decision are encouraged to share this decision with parents/guardians.

### CHRISTIAN SERVICE & OUTREACH

An important part of the ministry of CCS is developing a servant's heart. Here are some examples of outreaches the elementary/middle school campuses have participated in:

- Classroom/lab visits to nursing/convalescent homes, senior citizens
- Food drives
- Operation Christmas Child
- Christmas Toy Drive
- Boldly Bless Campaign
- Military/Veterans Outreach

CCHS participates in annual mission trips. Every Learner is required to attend a mission trip every year of high school. All freshmen are required to attend the local trip, and sophomores - seniors have the option to select their trip. It is the desire of CCS for learners to be intentional and prayerful about the trip he/she believes the Lord is calling them to.

These trips take place second semester in the spring before spring break. In the past, trips have included:

- Local - serving Corona, Los Angeles, Orange County areas
- State - San Francisco
- National - New York
- International - Mexico, Kenya, Israel

## Elementary/Middle School Party Policy

We invite parents to participate in class celebrations. Facilitators will notify you of these celebrations. Please do not bring siblings. If a parent wishes to schedule a class party for a birthday or celebration for their learner, facilitator, assistant, etc., a request must be submitted to the facilitator and pre-approved two (2) weeks in advance. Adequate notification must be made if snack/lunch will be provided, so the facilitator can notify the cafeteria and the classroom families.

Often times, parents wish to send home personal party invitations for their child through the classroom or hand them out on campus. Please be respectful of the following policy regarding personal party invitations: party invitations may be sent home through a learner's classroom/lab or distributed on campus if ALL of the learners in the classroom are invited to the party, or if the learner is a boy, all of the boy learners in the classroom are invited, and if the learner is a girl, all of the girl learners in the classroom are invited. We would like to spare any hurt feelings and appreciate your cooperation. Unless it is a school-sponsored event, school emails MUST NOT be used to promote parties, advertisements, or businesses.

## Field Trips

Field trips of an educational nature are vital to the curriculum enrichment emphasis at CCS. Facilitators and administration will make every effort to supplement curriculum with meaningful field trips as a learning experience.

School-sponsored trips are established for the specific grade and class levels. Therefore, it is the policy of CCS to limit field trip participation only to the learners of the class. Please be advised that ***siblings are not allowed to attend school-sponsored field trips***. Schoolsponsored educational field trips are not organized to facilitate a "family day out," but to enrich the learner's understanding of a specific subject of study.

Unless 18 years old, Learners will not be permitted to attend a field trip or off-campus school-sponsored event without parents or guardians signing the field trip specific authorization form.

# General Drop-off/Pick-up Information

- **Do not park in the circle in front of the school. This is for drop off and pick up only.**
- Follow the flow of traffic through the parking lot to the drop-off zone.
- Children should be ready (backpacks packed up and zipped, prayers said, hugs given, etc.) prior to entering the drop-off zone.
- Stop and let learners out of the vehicle on the curbside only then pull back into the center lane when your child(ren) have safely and entirely exited the vehicle and when clear to proceed. This will allow for a smooth flow of traffic.

### **Walking Passes**

Walking passes are available to 4th- 8th grade learners only, and ONLY FOR THE PURPOSE OF WALKING HOME. Learners at the K - 8th grade campus cannot walk to the high school/church campus to be picked up, as there is no supervision for them. A Walking Pass Request form is available in the elementary/middle school office. Once the request is approved by administration, the learner will be issued a walking pass. Learners with walking passes must leave the campus immediately following dismissal and not loiter on campus. No learner may be dismissed prior to dismissal time without a parent/guardian.

### **CCHS Learner Parking Rules**

All learners that have a California State Driver's License are considered drivers and MUST park in the parking lot across from The Plex.

- All vehicles should follow the flow of traffic designated by the signs and painted lines.
- The parking lot is off-limits during school time, and learners should not enter it without permission. Lunches and athletic gear should not be stored in the learners' vehicle.
- Learners are not permitted to loiter in the parking lot.
- Vehicle stereos must be played softly.
- Learners are not to cruise the parking lot or drive in an unsafe manner.
- Learners will not be permitted to drive between campuses during school hours for going to class, meetings, or athletic practices.

## **On Campus Visitors/Volunteers**

**ALL visitors/volunteers are required to check in with the appropriate school office upon entering the campus.** Visitors are required to sign both in and out, and to wear a "visitor" lanyard during their entire visit. Identification will be requested of visitors/volunteers. CCS follows these procedures as a precaution, as we feel it is essential to identify all adults interacting with the learners.

### **VOLUNTEER PROCEDURES**

All families are required to serve a minimum of 20 hours per school year. CCS has opportunities for parents and families to volunteer throughout the school year. If you fail to serve or log your family's volunteer hours for the year by April 30th, an incidental charge will be added to your FACTS Student Billing Account at the rate of \$10/hour not served.

Visit Campus Life at "[www.crossroadsschool.org](http://www.crossroadsschool.org)" for continual and upcoming volunteer opportunities to serve and log your hours. This link takes you directly to our website where you can obtain instructions on how to get started.

### **Steps for Volunteering:**

1. Complete a Volunteer Application Form (annually)
2. Read and comply with our volunteer policy and on campus appropriate attire (see below)
3. Arrange a volunteer schedule with your child's facilitator
4. Sign in at the appropriate office and get your name tag (must be worn at all times while on campus.)
5. Sign out of the office when you are done volunteering.
6. All persons, including volunteers, who are in regular contact with the children shall be in good health and free from communicable disease.

### **Volunteer Appropriate Attire**

CCS asks that while on campus, field trips and school events you follow the volunteer dress code. We prefer that you wear a CCS Spirit Shirt when volunteering & field trips.

If volunteers are out of dress code, the staff has been instructed to offer you an appropriate item to wear while on campus. Please help us avoid this uncomfortable situation by complying with the dress code. Please refrain from the following:

- Excessive cleavage
- Tight clothing
- Spaghetti straps
- Short shorts

- Shirts must cover your bottom if wearing leggings or form fitting pants
- Please dress modestly

### **Volunteer Confidentiality & Impartiality**

It is important to remember that parents in the class serve as a volunteer. Please do not show favoritism for any child and please do not show any judgment against other learner's behavior, attitude, etc. Please do not speak to anyone but the facilitator about what you observe in the classroom/lab, learner's grades or learner behavior. Please be especially sensitive to this by not taking it home and discussing it with other family members. A child could pick up on this conversation and learners or families could be hurt.

### **Volunteer Special Privileges**

Being a parent volunteer does not provide any special privileges, except that of being able to volunteer in a classroom/lab so CCS asks that volunteers not pick their child up early when volunteering or drop in on other classes unexpectedly.

### **Driver Policy**

Our school greatly depends on the involvement of parents for transportation and chaperoning field trips and other off-site events and appreciate the time spent to support your child's school and its activities.

If a parent or guardian wishes to serve as a driver, the following items must be completed and approved through the appropriate school office two (2) weeks prior to the date of Field Trip/Event:

- Submit a completed driver application form (annually).
- Submit a copy of your valid California Driver's License.
- Submit a copy of your current proof of insurance.

Crossroads Christian Church and School require anyone driving learners or children under the age of 18, to any Crossroads Christian School function, to follow these policies:

- The driver must be at least 21 years old.
- The driver must have and provide proof of a valid California Driver's License.
- The driver must have and provide proof of Liability Insurance on the vehicle to be driven.
- The driver must submit a completed Driver Application annually.
- The driver must adhere to the designated driving speeds and DMV driving laws always.
- The driver must have a required seat belt for each passenger in the vehicle, and is responsible to be sure that each person wears his/her seatbelt properly.
- The driver must adhere to DMV car seat requirements when driving young children.
- If there is a change in your insurance or driver's license status, you must notify the school office immediately.

### **Driver and Chaperone Instructions**

The following are guidelines that we ask all drivers and chaperones to follow:

- If you own or have access to a cell phone, please bring it with you on the trip for safety reasons. In case of illness or an emergency, notify the school office immediately. Please do not use a cell phone while driving, unless an emergency arises.
- It is important for volunteers to realize that they are acting as Christian role models for our learners. Please be an example by demonstrating maturity in actions, attitudes, and dress.
- Only learners enrolled in the activity may attend the event. Guests or siblings may not attend a field trip or school event unless the trip is announced as a special family event and other siblings are specifically invited. Many of our field trip destination institutions, especially commercial businesses, will not allow smaller children to accompany the field trip. Please do not plan for someone else to meet you at the field trip or event site with siblings. We believe that it is nearly impossible for a mother of a small child to give that child the proper attention while vigilant supervising a group of learners. The first responsibility of each volunteer is to learners being supervised. Thank you for understanding our priorities.
- Chaperones are responsible for the behavior of those learners in their care. In private vehicles, the driver is responsible for the learners' behavior. In school-owned or rented vehicles, the facilitator is responsible, with the help of volunteers. If you are experiencing difficulties, please report the problem immediately to the facilitator, administrator or other supervising adult. Do not allow rowdiness, disrespect, inappropriate voices, etc. Do not allow dangerous or potentially dangerous behavior on the trip.
- If you have a problem with any learner, take him/her to the facilitator.

- Know exactly how many learners are in your group and count, count, count all day! Keep roll if necessary. Be sure that all are present before moving from one place to another (especially when heading home).
- Learners are to return with the same person and vehicle that transported them for the event. Only an administrator or facilitator can make exceptions to this. Usually, exceptions are reserved for emergency situations only.
- Please do not purchase food items for learners unless first checking with the facilitator or person in charge and checking emergency forms for food allergies.
- If you have questions about any aspect of the field trip, expectation of drivers or chaperones, or expectation of learner behavior, please ask for assistance from a facilitator, administrator, or person in charge.

### **Additional Chaperone Driving Instructions**

The facilitator will make vehicle assignments for learners. Facilitators sometimes have special reasons that they may not be free to explain for assigning specific seating arrangements. You will be provided with a list of names of the learners being transported in your vehicle.

- Copies of the permission slips and emergency forms for all learners will be with the leader.
- If you have a first aid kit, please bring it with you in your vehicle.
- Seatbelts **MUST** be worn always. It is for this reason that learners may only be transported in the cabs of pickup or other types of trucks. Note that only one learner is permitted per working seatbelt. It is the responsibility of the driver to be sure that each learner wears his/her seatbelt properly.
- Please be sure you understand the route to be taken. The leader will provide a map and/or directions. Please stick to the assigned route to and from the field trip. Do not take a “better” way, run personal errands or stop for snacks unless it is part of the facilitator’s plan.
- Please call the school office right away if you experience car trouble or become lost. If someone has been hurt or is ill, and the facilitator is not readily available, please call the school office for instruction.
- Learners should not eat or drink in your vehicle without your permission. If any learner does not cooperate, please inform the leader.
- You may only play rated “G” movies/DVD’s in your vehicle.
- Please use discretion when choosing music to play in your vehicle when transporting learners. We suggest that you play Christian, classical or instrumental music to be sensitive to all the learners.

## **Emergency Plan**

*The procedures that the school will follow to ensure the health and safety of learners and staff. These procedures shall include the requirement that each employee of the school furnish the school record summary as described in Section 44237. [California Education Code Section 47605(b)(5)(F)]*

The action taken during any type of emergency depends a great deal on the specifics of the incident. CCS may evacuate, lock-down, or initiate a shelter-in-place response, according to the nature of the threat. The main objective is the protection of the learners and staff members.

CCS conducts various types of crisis response drills throughout the school year and works in collaboration with our local public safety agencies. If you are on campus during a crisis response drill, you are required to participate and to report to the command post.

In the event of an actual crisis, parents/guardians should report to the school command post where they will receive instructions on where to pick up their child. Learners will not be released until learner accounting is complete, so please do not attempt to take your child without proper authorization from CCS staff. Your child will only be released to the individuals designated on your child’s emergency card. For this reason, it is imperative that you keep your child’s emergency information accurate and up-to-date. The individual picking up your child should be prepared to provide our staff with photo identification.

### **EMERGENCY FORMS**

To properly care for your learner and notify parents/guardians when a learner needs to go home, [California Education Code 49403] requires that all parents submit emergency forms with their home

phone, work phone, cell phone, an emergency contacts. CCS requires that each learner have an emergency form in our RenWeb system. If your learner is injured or ill, and we do not have an updated emergency form, we may have to call 911 for treatment at the parent's expense. Please include at least two or three local numbers of people who could care for your learner if you are not available. The information on the emergency forms must be kept up-to-date throughout the school year.

### **EMERGENCY KITS**

CCS has a comprehensive disaster plan. This plan will provide for the safety and welfare of each child in the event of a major disaster, such as an earthquake, lockdown, or fire. An important area of our plan deals with providing food and water should learners be required to remain at school for an extended period.

### **CHANGE OF ADDRESS/PHONE/EMAIL**

Parents are asked to inform Crossroads Christian School Office by filling out a "Change of information Form" so that we have accurate, up-to-date information for all learners. It is imperative that we can contact parents in case of emergency.

### **HEALTH STANDARDS**

*The procedures that the school will follow to ensure the health and safety of learners and staff. These procedures shall include the requirement that each employee of the school furnish the school record summary as described in Section 44237. [California Education Code Section 47605(b)(5)(F)]*

To be certain that sick learners are in caring environments where their needs can be met, and to minimize the spread of illness, CCS staff members will expect you to keep your learner home when certain conditions exist. Often sick learners require one-to-one attention and we are unable to provide that kind of attention in our school office for long periods of time. The following are guidelines as to when your learner should be kept home or will be sent home:

- If your learner registers a temperature higher than normal (normal usually being 98.6), we will consider this to be a fever that is likely to be contagious.
- When there is vomiting or diarrhea. Note: Learner must be free from these symptoms for **24 hours** before returning to school.
- Rash of unknown cause. If a doctor or health department staff member can identify the rash as not being contagious, we will admit the child providing the rash is not making the learner sick and excessively uncomfortable.
- Suspected conjunctivitis (pink eye). Symptoms include red, itchy eyes, with crusts that form on the eyelid.
- Contagious conditions such as untreated ringworm, head lice, impetigo, etc.
- If your learner has significant symptoms of respiratory illness (thick colored mucus from the eyes or nose, serious cough, wheezing chest, red runny eyes or crusty eyes, sore throat, or earache) we will expect you to keep your learner home.
- Any suspected fracture unless the parent requests the learner can stay at school. (Obvious displaced fractures must be sent home).
- Head injury with any brief loss of consciousness, severe headache, or visual disturbances (otherwise 911 will be called).
- Cuts or gashes that appear to require medical attention or visible bleeding that cannot be controlled within 5 minutes.
- For infections requiring a doctor's prescription, please keep your learner home 24 hours after beginning an antibiotic.

**For all other illnesses, the learner may return to school if free from symptoms for 24 hours, if the learner's behavior indicates that he or she is feeling well.**

We recognize that learners may become ill or injured at school. **An updated Emergency Form must be on file for all learners with means for calling parents and designated emergency contacts.** This form must be updated at the start of each new school year. When a learner becomes, ill or injured, the parent is called. After attempting to contact the parents with no success, the persons designated as emergency contacts will be called. If the parent is reached via phone, they may designate someone other than who is listed on the emergency form to pick up their learner. An emergency contact cannot designate someone to pick up the learner other than those listed on the form.

If the parent and emergency contacts are unable to be reached and it is a non-911 situation, school administrators will determine the appropriate action. Please be sure the learner's emergency form has names and current phone numbers of persons who have agreed to pick up your learner if you cannot. Please list any cell phone numbers available for parents and emergency contacts. It is very frustrating for both the learner and the office staff when a learner is not feeling well, or there is an emergency, and employees are unable to contact an adult.

To ensure your learner's health and safety, it is important for us to be made aware of any health conditions the learner may have. Please note ANY health problems in the appropriate space on the emergency form. This information is not only necessary for us to address learners' health and safety, it is also necessary for any emergency personnel who may be called in to care for your learner. Learners' health information is confidential and will only be shared with staff on a need-to-know basis. Contact the school office immediately if your learner contracts a communicable disease, such as, but not limited to:

- Strep Throat
- Scarlet Fever
- Chicken Pox
- Impetigo
- Ringworm
- Scabies
- Fifth Disease
- Hand, Foot, Mouth Disease
- Pink Eye
- Head Lice\*

Please bring a doctor's release when the learner returns to school. The school follows District Public Health regulations as to when a child may return to school after a communicable disease. All persons, including volunteers, who are in regular contact with the learner shall be in good health and free from communicable disease.

*\*Learners returning to school after being treated for head lice must be examined in the health room prior to returning to class. The learner must be free of all lice and "nits" before being readmitted to school.*

## Immunization

All learners MUST have their immunizations up-to-date and on file in the school office to attend CCS. The only exceptions being that parents were otherwise advised by a physician. Written statements by the physician must then be on file in the school office.

## Emergency Health Procedures

Although we do not have a certified nurse on staff, our staff has been certified in First Aid and CPR. When a learner has been injured, we evaluate the situation on a case-by-case basis. When appropriate, we apply ice packs to bumps, topical ointment and Band-Aids to cuts and scrapes, etc. If more serious, we will notify the parent and complete an Accident Report.

- If a learner is injured on campus, the learner should report the injury to a facilitator, administrator, or staff member. When reported, a staff member will complete an Accident Report to be sent home with the learner.
- If a learner becomes ill, a staff member should escort him or her to the office.
- If a learner is advised to leave campus, the parent will be contacted. When the parent or other authorized adult comes to pick up the learner, they will be asked to sign the learner out in the office.

# Administration of Medication Policy

No learner shall be given over-the-counter medication during school hours except with the written or verbal consent from the parent/guardian.

No learner shall be given prescription medication during school hours except with written prescription from a licensed physician/healthcare provider who has the responsibility for the medical management of the learner. All such requests must be signed by the parent/guardian. These authorizations must be renewed whenever the prescription changes and at the beginning of each new school year.

All medication (prescription and over-the-counter) including aspirin, cough drops, etc., **MUST** be stored and dispensed in the CCS office. All medication **MUST** be provided in the container in which it was purchased. If it is a prescribed medication, it must be in the original container with the prescription label attached, and must be prescribed to the learner to whom it will be administered. School personnel cannot give medication brought to school in a plastic bag, plasticware, or any other repackaging. Out-of-date medication will not be given. An adult must bring the medication to the school along with the completed authorization form. **Learners are not allowed to have medication in their possession at school.** This practice provides for the safety of all learners on campus. The only exception to this policy is if the learner's well-being is in jeopardy and the medication, such as an inhaler for asthma, is carried on his/her person. The appropriate release forms can be obtained from the school office and must include a statement from the physician that the learner's well-being is in jeopardy unless he/she carries the medication.

## RESPONSIBILITY OF THE PARENT/GUARDIAN AND PHYSICIAN

### Parent/Guardian:

- Parents/guardians shall be encouraged to cooperate with the physician to develop a schedule so the necessity for taking medication at school will be minimized or eliminated.
- Parents or guardians will assume full responsibility for the supply and transportation of all medications to and from school.
- Parents or guardians may pick up unused medications from the appropriate school office during and at the close of the school year. Medication remaining after the last day of school will be discarded.
- A request for administering prescribed medication must be completed by the parent/guardian and filed with the appropriate school office.

### Physician:

The container must be clearly labeled by the physician or pharmacy with the following information:

- Learner's name
- Physician's name
- Name of medication
- Dosage, schedule and dose form
- Date of expiration of medication

Each medication is to be in a separate pharmacy container prescribed for the learner by a physician.

## RESPONSIBILITY OF SCHOOL PERSONNEL

- The school administrator will assume responsibility for placing medication in a locked cabinet.
- Learners will be assisted with taking medications according to the physician's instructions and the procedure observed by a school staff member.
- The individual who gave the medication will record each administration of medication on a medication log immediately following the time of its administration.

# Search and Seizure

*Legal reference [California Education Code 32280-32289] School safety plans. Search and Seizure of Learners*

Crossroads Christian School is committed to providing a safe learning environment. As necessary, to protect the health and welfare of learners and staff, school officials may search learners their property, and/or school property under their control and may seize illegal, unsafe, or otherwise prohibited items.

School officials may search any individual learner, his/her property, or school property under his/her control when there is a reasonable suspicion that the search will uncover evidence that he/she is violating the law, Board policy, administrative regulation, or other rules of the school.

Reasonable suspicion shall be based on specific and objective facts that the search will produce evidence related to the alleged violation. The types of learner property that may be searched by school officials include, but are not limited to, purses, and backpacks, learner vehicles parked on school/church property, cellular phones, or other electronic communication devices.

## Fundraising Policy

Crossroads Christian School endeavors to keep Tuition affordable. To provide funds for Scholarships, Tuition Assistance and the improvement of properties and programs (academic as well as athletic) we conduct a few fundraising activities throughout the school year. We do not want to burden parents or learners with undue activity in this area, but rather spur on generosity in the heart-felt area of passion of each giver.

Fundraisers are divided into these categories: Academics, Athletics, Fine Arts, Direct Ask, and Gift in Kind.

We direct our activities to alumni, friends of Crossroads School, local businesses, employees, and families.

**Fundraising** requires approval from the Executive Administrator. Once approved the fundraiser is then placed on the fundraising calendar and added to the school's general calendar.

# International Learner Academic Accommodations

## WHO QUALIFIES FOR ACCOMMODATIONS?

The only international learners who qualify for academic accommodation are ELL learners. If the learner's English Assessment examples a low scoring level of English – scoring “Emerging” or “Beginning” on 3 or more categories on the Speaking Assessment Rubric (see below) – they will be required to take an ELL course, instead of a Foreign Language course (e.g. Spanish). If their English fluency is high enough to take a Foreign Language, they will not be placed into an ELL course, and will not receive the academic accommodations listed below.

## WHAT ACCOMMODATIONS ARE PROVIDED?

ELL Learners can qualify for some/all of the following accommodations:

- Extended assessment time (20-minute maximum time extension)
- Due date extensions
- Modified writing prompts (e.g. shortened essays, simpler prompts)
- Low level vocabulary assessments

*\*All accommodations are determined by CCHS, and may differ for each learner, depending on English fluency.*

All International Learners, ELL or otherwise, may use the approved translator during assessments and classwork (EXCEPT for vocabulary assessments).

The ONLY translator approved for use during assessments are the following:

Chinese – YouDaoDict

Vietnamese – Dict Box

If a learner is seen using any other translator during an assessment, the assessment will be taken away, and the learner will receive a zero.

# CCHS International Learner Translation Guidelines

## WHO CAN USE A TRANSLATOR?

International Learners can use approved translators for homework, classwork, and assessments (EXCEPT vocabulary assessments) in order to better understand and articulate their content. If you are an International Learner who is considered a “Local Status Learner,” you are not permitted to use translators during assessments.

## WHICH TRANSLATORS CAN I USE?

The ONLY translators approved for use during assessments is the following:

### Chinese - YouDaoDict

### Vietnamese - Dict Box

If a learner is seen using any other translators during an assessment, the assessment will be taken away, and the learner will receive a zero.

## HOW CAN I USE THE TRANSLATOR?

Learners may only input single words into the translator. Putting full sentences or paragraphs into the translator is strictly prohibited. Translators should be used only to clarify vocabulary that the learner does not yet know. If caught translating full sentences during an assessment, your translation privileges will be taken away for as long as the Director of International Learners deems appropriate.

During an assessment, the learner may use YouDaoDict or Dict Box translators on their PHONE, but **never** on their computer. These approved translators should be the only app opened on your screen. All other apps and windows must be closed during assessments, as facilitators will be monitoring the class during testing. In order to eliminate any opportunity for academic dishonesty, assessments should be made full screen on the learners' computer, and there should be no changing or shifting of screens at any time.

*\*Translator use is not permitted during vocabulary assessments*

## Prearranged Absences

Prearranged absences are those days taken by learners beyond those days when school is dismissed. The school personnel realize that there are certain occasions when parents/guardians feel it is necessary or beneficial for learners to take special educational trips/events.

However, learners and parents must realize that extra days out of the school schedule can be detrimental to the learner's learning. There is valuable information that can be lost, some of which cannot be made up outside the classroom.

If a learner and his/her parents wish to take extra days from school, they should complete this form. This must be completed and returned to the school office prior to the planned absence.

**Date:** \_\_\_\_\_

**Learner's Name:** \_\_\_\_\_

**Parent/Guardian Name:** \_\_\_\_\_

## **CCHS Guardian Change Policy**

As a high school, CCHS must have the most updated information regarding a learner's living situation. With that said, CCHS requires that the learner notify the school of the coming change (guardian, home address change, or other) **AT LEAST TWO WEEKS PRIOR TO MOVING.**

CCHS must be notified in order to have updated emergency contact information, and in order to release the learner to their legal guardian for after school pick up. Please contact the Director of International Learners, Ms. Natalia Albatarseh, with information on the coming changes. You will then be provided the necessary documents to complete prior to you change in address.

If at any time a learner switches guardians or home addresses without notifying CCHS, the learner will not be permitted to attend school until the appropriate documents are filled out and completed by the learner's parents and guardians. Keep in mind, these documents often take several days, as they must be notarized and signed by the learners' parents. Any and all classwork, assessments, and projects missed that day will be unexcused, and will be marked as a zero in the gradebook. The learner will not be permitted to make up these assignments.

*\*All International Learners, regardless of age, MUST be living in a home with an adult guardian. No exceptions will be made.*
