

Color Run for Education - October 25, 2019

Race Day Details: Elementary/Middle School

Participation:

All students K-8 will participate in the run as it is being held during school hours. The run will be held in both the circle and main school parking lot. This fun event means kids will get lots of color thrown at them during the race, so dress accordingly. ***NOTE:** If a student does NOT want to get color thrown at them, they can simply run on the outside lane away from the color throwing stations.

Special Note to Middle School Families:

This is an event held during the school day. Although academic classes will be adjusted for the day, students are expected to stay and participate.

T-Shirts and Prizes:

Color Run t-shirts will be distributed Thursday, Oct. 24th, as well as t-shirts for participating parents. Please ensure your students come to school Friday morning wearing their Color Run shirt. Elementary students may wear shorts (in school dress code) and M.S. students may wear PE shorts.

*Any prizes earned after Oct. 23rd will be distributed to the students the following week.

Donations:

99 Pledges is hosting our online donations. There is NO entry fee for any student. We would love to have every student meet their goal of \$100 but even if they don't, they will still receive a Color Run t-shirt and be able to participate in the event. If you choose not to obtain donations via 99 Pledges, you can still drop off cash or checks in the front office to support his event. All donations will be applied to the class totals so please be sure to note your student's name and classroom number.

Parent Participation:

We would love to have parents participate!

- **Run!** \$30 entry fee for parents can be paid in the office - includes Color Run t-shirt. (while supplies last).
- **Serve!** Setup, clean up and race volunteers needed for one of our biggest events of the year. www.signupgenius.com/tabs/43074D901AFC3EFC24-ccsvolunteers
- **Support!** If you'd rather not run, come cheer students on from the sidelines!
