

Crossroads Preschool Color Ride

For the first time Crossroads Preschool is joining our all school Color Run & Ride event! Preschoolers will be riding through a colorful course in the preschool quad (no colored powder will be used with our little guys). This is a fun way to raise money to help our school continue upgrading our classrooms with innovative technology and space designed for collaborative learning. By supporting this year's Color Ride you help provide essential funds for these vital programs and needs:

- Innovative academic and education resource programs that include a strong focus on STEAM (Science, Technology, Engineering, Art and Math).
- Ongoing technology improvements to our classrooms, which prepare our students for an increasingly connected academic and work world.

Our goal is for each participant to raise at least \$100 in donations. We are using 99Pledges, an online platform, to help you fundraise. You received an email from 99Pledges that has your student's unique webpage so you can share your excitement with friends and family through social media. If for some reason you don't receive the email, please go to <https://app.99pledges.com/fund/crossroadsrunforeducation> and search for your student's page by entering their first name.

- Children need to bring their own tricycle/bicycle/or scooter. Each child is required to wear a helmet during the Color Ride. Safety first! **Children without a helmet will not be allowed to participate. No exceptions.** The Rider's track will be set up in the preschool quad area. Please label your child's tricycle/bike/scooter/helmet with your child's name and room number. There will be masking tape in the office to help with labeling. All bicycles will be parked in assigned parking areas.
- If your child does not normally attend Fridays, they are welcome to come ride at their teacher's designated time.
- Parent volunteers/spectators are welcome! Please sign up in the office if you would like to help.
